

Landing Page

The landing page for Constructa features a large banner image of a modern, two-story house at night. Overlaid on the image is the text "Design Your Dream Home". Below the banner, a subtext reads: "AI-powered personalized house design portal. Enter your requirements and get detailed architectural plans, cost estimates, and stunning visualizations instantly." A green button labeled "Start Designing →" is visible. In the top right corner, there are "Login" and "Sign Up" buttons. To the right of the banner, there are three sections: "Expert Support" (with a brief description and a thumbnail of a structural plan), "AI Generation" (with a brief description and a thumbnail of a 3D rendering), and "Smart Estimates" (with a brief description and a thumbnail of a budget calculator).

Homeowner Login

The login page has a header with the Constructa logo and a house icon. The main heading is "Welcome Back" with the subtext "Log in to your homeowner portal". There are input fields for "Email Address" (containing "Augustine joyal jose") and "Password" (with a red eye icon). Below the password field is a "Forgot Password?" link. A large green "Log In" button is centered. At the bottom, there's a "Or Continue with" section featuring a "Sign in with Google" button and a link "Don't have an account? [Sign up here](#)".

Home Owner Dashboard

The screenshot shows the 'Home Owner Dashboard' for the 'Constructa' platform. At the top, there is a navigation bar with the 'Constructa' logo, a search bar, and links for 'Home' and 'Change Role'. The main heading 'Welcome back, Alex' is displayed prominently, followed by the subtext 'Manage your dream project from one central hub.' Below this, there are eight cards arranged in two rows of four, each representing a different service or feature:

- Budget Calculator**: Estimate costs for materials, labor, and permits instantly.
- Material Market**: Order high-quality construction materials at best rates.
- Plans & Designs**: View 3D models, blueprints, and architectural drafts.
- Engineer Directory**: Connect with vetted structural and civil engineers.
- Find Contractors**: Hire reliable contractors for your specific needs.
- Hire Workers**: Find skilled laborers, electricians, and plumbers.
- Feedback**: Share your experience to help us improve.
- Saved Favorites**: Quick access to your liked designs, products, and experts.

Engineer Dashboard

The screenshot displays the 'Engineer Workspace' interface. At the top, there's a navigation bar with the 'Constructa' logo, 'Home', and 'Change Role' options. Below the header, a main title 'Engineer Workspace' is centered, with a subtitle 'Manage projects, connect with clients, and grow your business.' A large, semi-transparent 3D building model serves as the background for the dashboard. The dashboard is organized into several rounded rectangular cards, each representing a different feature:

- Project Requests**: View new incoming project leads and homeowner requirements.
- My Projects**: Track progress of ongoing construction and design projects.
- Active Estimates**: Monitor the status of your submitted project quotes and bids.
- Client Messages**: Direct communication channel with your current clients.
- Profile & Portfolio**: Update your certifications, past work gallery, and contact info.
- Resources**: Access building codes, material specifications, and regulatory docs.
- Team Management**: Manage your on-site teams, assign tasks, and track roles.
- Schedule & Calendar**: Keep track of project timelines, deadlines, and meetings.

Admin Dashboard

The screenshot displays the 'Admin Dashboard' interface. At the top, there's a navigation bar with the 'Constructa' logo, 'Home', and 'Change Role' options. Below the header, a main title 'Admin Dashboard' is centered, with a subtitle 'System Overview and Management Controls'. A large, semi-transparent 3D building model serves as the background. The dashboard is organized into several rounded rectangular cards, each representing a different feature:

- User Management**: Manage homeowners, verify engineers, and handle account permissions.
- Content & Plans**: Upload new house plans, designs, and update architecture resources.
- Material Pricing**: Update market rates for construction materials and labor costs.
- Feedback & Support**: View user feedback and resolve support tickets.
- Platform Analytics**: View site traffic, user registrations, and project statistics.
- System Settings**: Configure platform modules, APIs, and global preferences.
- Security Logs**: Monitor access logs, audit trails, and system security.
- Marketing Tools**: Manage promotional banners, email campaigns, and ads.
